~~SECRET~~

SUMMARY: CCC-88 (250130 Apr 80)

Source reported information concerning the Embassy (Bldg "A").

Area quiet, people sleeping in lobby.

People sitting around - appear to be just waiting/passing time of day.

NOTE: This session aborted due to news bulletin.

START SESSION -

+01

I'm on the field side about 200' up
left corner.

Outside looks quiet.

+02

it looks like what I saw the other day
ok mumble mumble

+05

I went in the lobby. I see people
slumped & sleep not moving.

+06

Two people on the floor, people sitting
around like waiting room in dentist office
just lounging

+08

going up stairs - library.

+10

I didn't see anything worth reporting.
(I'm going the other way)

+11

There stairs on the other end of the
building too.

12

Nobody on the Top Floor

+14

I don't know, it's weird

+15

I am not seeing what I expected to
see. I'm not seeing anything. I'm
seeing rooms.
